[Despatch Abstract.]

ELECTRICITY DEPARTMENT -Establishment -Temporary - Pykara System -Supply of electricity to Karkala and Udipi -Construction staff- sanctioned.

5245 8-JUN1951

GOVERNMENT OF MADRAS.
ABSTRACT.

ELECTRICITY - South Kanara District - Udipi thermal scheme - Supply to Karkala and Udipi - Improvement - Estimate Rs.88,460/- Approved.

PUBLIC WORKS DEPARTMENT.

G.O.Ms.No.2163 Dated 28th May 1951.
Read the following papers

G.O.Ms.No.371 Public Works dated 25-1-51.
From the Chief Engineer(Electricity) No. E3/A3/2533-/150-11 dated 24-4-51.

---

His Excellency the Governor of Madras hereby approves the estimate for Rs.61,700/- (Rupees sixtyone thousand sevenhundred only) initially, rising to Rs.88,460/- (Rupees eighty eight thousand fourhundred and sixty only) in three years for improving the supply of electricity at Karkala in South Kanara District.

2. The expenditure is debitable to "81.A.Capital outlay on Electricity Schemes - II. Thermal Electric Schemes (excluding Post War Reconstruction) - Udipi Thermal Scheme".

3. Orders on the proposal of the Chief Engineer (Electricity) for employment of additional staff required for construction, operation and maintenance of the scheme sanctioned in para 1 above will be issued separately.

D. Padmanabhan,
SECRETARY TO GOVERNMENT.

2. The staff proposed for the Udipi and Karkala Schemes were intended to be attached to the Division proposed under the Mangalore Scheme. Since the Mangalore Thermal Scheme is not to be taken up at present, the staff proposed for the Udipi and Karkala Schemes will be attached to the Nilgiris Division of the Pykara System till such time as the Mangalore Scheme is taken up. Thereby the controlling Division becomes the existing Nilgiris Division instead of the Mangalore Division and no change in the sub-divisional and sectional staff arises. Therefore the sectional staff asked for Karkala does not require any revision.

Enclosed is to be attached to the Divisional Engineer

Extracts from Note File bearing No. C.1392-I/51.

3. The Chief Engineer (Electricity) has stated that the construction work may be completed within a period of 6 to 8 months from the date of acquistion of the Udipi Electric Licensee's undertaking. As the power position at Karkala is unsatisfactory and as there is a lot of public agitation the Chief Engineer(Electricity) requests early sanction for the scheme. He has also requested sanction for the staff required for construction and operation purposes as set out in para 9 of the scheme report at page 5 of U. He has proposed to attach the proposed Section to the Division proposed under "The Mangalore Electrical Undertaking Acquistion" Scheme. It is submitted by the Chief Engineer (Electricity) for the acquistion of the Mangalore Electrical Undertaking, which is included in the second batch of the acquistion programme, is not likely to be sanctioned by the Government immediately. The Chief Engineer (Electricity) who was advised of this, has submitted proposals for sanction of Government for placing orders for an additional set of 500 K.W. capacity required for Mangalore, in ~~lieu~~ advance of the scheme referred to at A above and this is under consideration separately. In view of this, the Division proposed by him in connection with the Mangalore scheme may not materialise. This may be pointed out to the Chief Engineer (Electricity) and he may be requested to submit a revised proposal in respect of the staff required for the Karkala Scheme. After receipt of his reply, separate action may be taken on the staff proposals for which necessary extracts may be given to R section.

2. With reference to Y on page 3 ante the Chief Engineer (Electricity) has stated that since the Mangalore Thermal Scheme is not to be taken up at present, the staff proposed for the Udipi and Karkala Schemes will be attached to the Nilgiris Division of the Pykara System till such time, as the Mangalore scheme is taken up and that no change in the sub-divisional and sectional staff arises. He has stated that the staff asked for Karkala does not require any revision. Separate action may be taken on the staff proposals for which necessary ~~extracts~~ Extracts may be given to R section. ~~The scheme referred to in this Department and the Finance Department page 5 ante has been accepted in this Department and the Finance Department They have stated that the present proposals is not in Mangalore Scheme.~~

5. The Chief Engineer (Electricity) has stated that the [illegible] can be completed within a period of 6 to 8 months from the date of acquisition of the right electric licensee's undertaking. In the paper position of Kerala it is necessary and as there is a lot of public agitation for the Chief Engineer (Electricity) requested early sanction for the scheme. He has also requested a sanction for the staff required for construction and operation purposes as set out in para 5 of the proposal report at page 8 or 9. He has proposed to attach the proposed Undertaking Acquisition" Scheme. It is submitted by the Chief Engineer (Electricity) for the acquisition of the Electrical Undertakings, which is included in the second schedule before acquisition proposals, that likely to be sanctioned by the Government immediately. The Under Engineer (Electricity) who was advised of this, has submitted proposals for sanction of Government for placing orders for an additional set of 800 k.w. capacity required for Pallivasal, in view of the above mentioned reasons. In view of this, the Division proposed by him in connection with the Pallivasal scheme may not materialise. This may be pointed out to the Chief Engineer (Electricity) and he may be requested to submit a revised proposal in respect of the staff required for the Kerala Scheme. After receipt of his reply, appropriate action may be taken on the staff proposals for sanction necessary extracts may be given to a section.

6. With reference to ~~it~~ on page 3 ante the Chief Engineer (Electricity) has stated that since the Pallivasal Extension Scheme is not to be taken up at present, the staff proposed for the Idukki and Kerala Schemes will be attached to the Idukki Division of the Kerala System till such time, as the Pallivasal scheme is taken up and that no change in the sub-divisional and sectional staff arises. He has stated that the staff asked for Kerala does not require any revision. Separate section may be taken on the staff proposals for which necessary extracts may be given to a section. ~~The Chief Engineer (Electricity) has stated that since the Pallivasal Extension Scheme is not to be taken up at present, the staff proposed for the Idukki and Kerala Schemes will be attached to the Idukki Division of the Kerala System till such time, as the Pallivasal scheme is taken up and that no change in the sub-divisional and sectional staff arises.
